Impact of Your Support

#curekrabbe - \$10,000

- Helps support the drug development process with key stakeholders, ensuring resources and therapies meet the needs of those navigating Krabbe disease
- Provides much needed funding to aid research that can help improve the quality of life of those living with Krabbe disease

Garden of Support - \$5,000

- Helps fund KrabbeConnect's Patient Assistance Fund. Families impacted by Krabbe disease face enormous out-of-pocket medical expenses
- Aids in the development of educational tools for families, patients, and the medical community. For example, our newborn screening state facts sheets or our Krabbe disease treatment map

Community Ambassador - \$2,500

- Aids our ability to spread public awareness. Two big awareness events are Rare Disease Day and Leukodystrophy Awareness Month
- Helps us contract qualified experts to conduct webinars for our community on important topics such as caregiver burnout, PTSD, sibling grief, and more

Illuminating Friend - \$1,000

- Provides much needed resources to support communication and networking to ensure progress can happen
- Allows the organization to dedicate funding to translate existing KrabbeConnect resources into Spanish and French
- Completely funds our 1-800 number so we can help newly diagnosed families navigate Krabbe disease
